

EDISON PACE

AUTUMN ONE

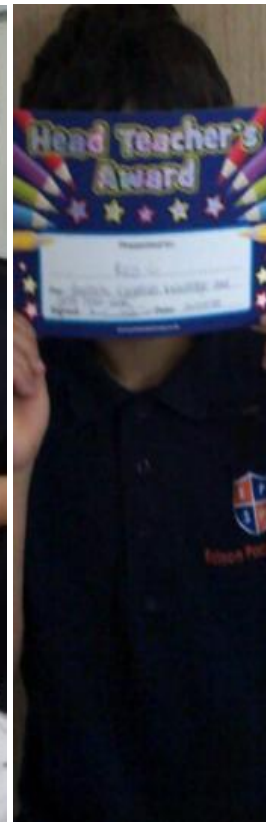

COFFEE MORNING

Our next coffee morning is at the
Community Hub at 09:45 on
10/11/2025

EPP focus

At our Primary site we have been engaged in a range of different activities including yoga, karaoke, visiting Anderton Boat Lift, having our PE sessions at Bradwell Lodge, going on trips to the library, raft building, competitive marble runs, Investigating Egyptians, making pizzas, and creating personalised Zones of Regulation! Our young people have gone from strength to strength making new friendships along the way. Continue all of your hard work and we will see you after the break!

EPS focus

Students in KS4 have been exploring financial decision making – we have been learning all about debt, mortgages, the average wage, and how to make healthy choices when saving for your future. We have been engaging well in our new options subjects working towards BTEC qualifications, and some students have been on work experience placements and college visits linked to their aspirations. Students in KS3 have looked at peer influence, healthy and unhealthy friendships, substance misuse, and gangs. We have enjoyed a range of practical role-play tasks to help us understand how to stay safe in different situations.

Black History Month

Our young people enjoyed a range of activities themed around key figures. We explored a range of areas including industry, food, and beauty to explore how our differences make us stronger.
