

EDISON PACE

SPRING ONE

COFFEE MORNING

Our next coffee morning is at the Community Hub at 9:45 am on Monday 9th March.

Shelton site update

A talented group of our young footballers attended a tournament this half-term. They played against many other schools but of course, Edison came out on top:

WE ARE THE CHAMPIONS!

Not only did our young athletes excel on the pitch but their conduct with the other pupils was brilliant – from supporting others, to showing sportsmanship and shaking hands after every match our team did us proud!

Across the school there has been so much going on from trips in Science to welcoming new members of staff, and our young people have shown resilience and hard work throughout the term.

Porthill site update

Students have been working hard and have visited Litchfield Cathedral, Peak Wildlife Park, and even made Spanish paella and omelette!

They have also run a successful election for their school council, which included turning the LRC into a Polling Station!

Have a well-earned break and we will see you all soon.

Stanley Head

KS4 students attended a fantastic residential trip to Stanley Head this half term. They took part in a range of activities including climbing, archery, rifle shooting, and more. For many of our young people this was their first time away from home and they have risen to the challenge phenomenally. Their behaviour and attitude towards new experiences have been wonderful to see. Thank you to all the staff who attended to support them!
