

EDISON PACE

SUMMER ONE

Meet Our Resident Reporter: Cain has been given the job of resident reporter and is adding his journalistic flare to our newsletter.

Meet the Staff: Interview with Robbie

What is the worst food you have ever made?

"I overboiled gammon once, I haven't touched it since."

What is the best childhood toy you used to play with?

"I played with my Gameboy colour and Pokémon games mainly"

What was the best childhood TV show?
"I liked power rangers and saved by the bell."

Who is your favourite celebrity?

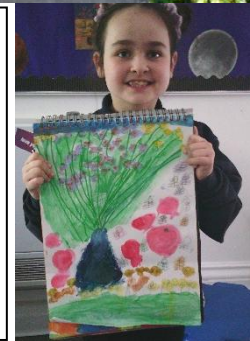

"Tom DeLonge in Blink 182"

What is your absolute favourite book and why?

"I think it is where the wild things are, I love the drawings in the book"

Well Done to our resident artist for this beautiful piece of artwork. She has such an amazing artistic flare.

GCSE update

We want to wish our GCSE students luck with their revision over the coming weeks – please see an update on exam dates below:

3rd June – Maths (AM)

5th June – English (AM)

8th June – Biology (AM)

10th June – Maths (AM)

Join our Edison Pace Facebook group by scanning the QR code. This is a closed group for parents and carers.

Porthill update

What an incredible half term! We've blasted off into Space, exploring the wonders of our solar system and experiencing the awe-inspiring Jodrell Bank. Our musical talents have soared both in the classroom and at the British Experience Museum, where we discovered new rhythms and melodies. We've also honoured history through VE Day celebrations and opened our hearts to the rich traditions of Judaism. There's been so much learning, so much joy, and so much to celebrate! The fun doesn't stop here—we're already buzzing with excitement for what's coming next half term. Thank you for sharing this wonderful journey with us!
