

Edison Pace School Summer Two

Next Year

We break up for the summer holidays on Friday (17th July). We then have a **Family IEP Day on Monday 20th July**.

This is the opportunity to celebrate your child's year, look at books, review IEPs and chat anything through.

Chloe and Janice will have made an appointment with you for this event.

The summer is then yours to enjoy!

We then have a **Family IEP Day on Thursday 3rd September**, where you will meet your child's new teacher and team, and have the opportunity to share updates from the summer break.

Again Chloe and Janice will make these appointments with you.

We look forward to welcoming all our fabulous young people back to school, along with some new faces on **Friday 4th September** to start the Autumn term.

Porthill Update

What a summer of adventure we've had! Our young learners have grown in leaps and bounds, diving deep into everything from the bold designs of Vivian Westwood, the thrilling physics of rollercoasters, and discovering the fascinating life cycles of primates at the monkey forest.

We've travelled the world through taste-testing culinary delights in true World Cup spirit, made the most of sunny days with splashing water play, and so much more. It's been a truly unforgettable half term filled with learning, laughter, and discovery. We cannot wait to restart all our adventures in September!

Join our Edison Pace Facebook group by scanning the QR code. This is a closed group for parents and carers.

Staying Safe

We are aware that six weeks is a long time and a lot can happen.

Should anything be difficult over the holidays, you are not alone. The school website has links to services who work all year round supporting families.

You can also contact school in the usual way and these messages will be picked up and shared. This will not be with the same regularity as term time due to a reduced staff, but they will be seen.

The school email is info@edisonpace.co.uk.

Shelton Update

This has been a fantastic half term of achievement! We have seen our young people sit GCSE's, pass their BTECs, pass their Functional Skills and even achieve Rock School awards – with a merit!

We have seen our Duke of Edinburgh KS4 cohort complete an expedition, including camping overnight, while our lead DofE instructor was invited to Buckingham Palace in recognition of the work he does!

We have seen some awesome learning, trips, experiences across school and done it all with a smile on our face.

A super end to a super year!
